

1. Red Light Therapy
Jacuzzi Saunas include high intensity red light therapy allowing you to enjoy the benefits of light therapy in every session.
2. Therapeutic Far Infrared Heaters
Our combination mica/carbon low EMF heaters surround you in soothing infrared heat.
3. Full Spectrum Heaters
Our powerful full spectrum heaters deliver near, mid and far infrared to enhance the benefits of your sauna session.
4. Built-In Ergonomic Backrest
Relax close to the soothing infrared heat against the built-in ergonomic backrest.
5. Vibrational Resonance Therapy
As a standard feature, VRT can compliment your infrared and red light therapy session with sound and vibration.
6. Enhanced Audio
Bluetooth® and AUX inputs make it easy to connect, listen or charge your devices, and includes a subwoofer for a more immersive experience.
7. Heavy-duty Construction
Metal threshold, upgraded hinges and a replaceable solid wood floor will withstand heavy sauna use.

Model

JS-2i

The Jacuzzi® 2 person infrared sauna provides a place to rest, relax and restore. Infrared Saunas promote overall wellness by encouraging relaxation, releasing muscle tension after physical activity and enhancing mood and well-being.
