
Your Guide to the Florida Sales Tax Exemption

If you are seeking a Florida sales tax exemption, the proper paperwork must be in our files 5 days prior to your scheduled delivery date! You are responsible for full payment of the sales tax on your spa purchase if the 3 original documents are not provided to Luxe Outdoor Living. NO EXCEPTIONS.

The Florida administrative code reads:

The patient must provide to the seller of the hot tub, spa, or similar appliance with a prescription, an exemption certificate and a signed statement on letterhead from the licensed practitioner. See attached copy of this rule.

In order to qualify for Florida sales tax exemption You must provide the following items:

- Original Signed Statement on Doctor Letterhead
- Original Prescription from same Doctor
- Signed Exemption certificate

Please understand "The State of Florida Controller" set these rules – not Luxe Outdoor Living. The following pages contain the medical Tax Exemptions allowed by the Controller along with examples of the documents required by Florida State Law.

The information provided in this packet is not legal or tax advice.
