Jacuzzi® Saunas

Model

JS-1i

The Jacuzzi® 1 person infrared sauna provides a place to rest, relax and restore. Infrared Saunas promote overall health & wellness by encouraging relaxation, releasing muscle tension after physical activity and enhancing mood and well-being.

1. Red Light Therapy

Jacuzzi Saunas include high intensity red light therapy allowing you to enjoy the benefits of light therapy in every session.

2. Therapeutic Far Infrared Heaters

Our combination mica/carbon low EMF heaters surround you in soothing infrared heat.

3. Full Spectrum Heaters

Our powerful full spectrum heaters deliver near, mid and far infrared to enhance the benefits of your sauna session.

4. Built-In Ergonomic Backrest

Relax close to the soothing infrared heat against the chiropractor designed built-in ergonomic backrest.

5. Vibrational Resonance Therapy

As a standard feature, VRT can compliment your infrared and red light therapy session with sound and vibration.

6. Enhanced Audio

Bluetooth and AUX inputs make it easy to connect, listen or charge your devices, and includes a subwoofer for a more immersive experience.

7. Heavy-duty Construction

Metal threshold, upgraded hinges and a replaceable solid wood floor will withstand heavy sauna use.

Cold Plunge

Product description

The Cold Plunge is a versatile and luxurious contrast tub designed to elevate your wellness routine. Offering a wide temperature range from a brisk 40°F (4°C) to a soothing 104°F (40°C), this plug-and-play model allows for both invigorating cold soaks and deeply relaxing warm baths.

The Cold Plunge features an immersive deep-soaking interior, providing maximum comfort for extended lounging sessions. Its durable steel frame and ABS base ensure long-lasting durability, while non-slip comfort mats enhance safety during use. The sleek, insulated cabinetry not only maintains your desired temperature, but also houses all equipment neatly inside, making the cold plunge a stylish and practical addition to any indoor or outdoor space.
